temporary survey station istasyon ng puntong sinukat: pansamantala	water danum
survey lines	sump
wall	sand darat
unsurveyed wall	clay luad
presumed wall dingding ng linyang sinukat: ipinagpapalagay	pebbles mga maliliit na bato
cross-section **** need to translate ****	debris
clay choke	flowstone flowstone
floor step hakbangan sa sahig ng linyang sinukat	blocks, breakdown
floor meander	bedrock pundasyong bato
pitch butas	water flow
ceiling step hakbangan sa kisame ng linyang sinukat	flowstone flowstone
chimney tsimenea sa linyang sinukat	stalactite
gradient dahilig ng puntong sinukat	point stalactites
rock border hangganang bato ng linyang sinukat	stalagmite
rock edges gilid na bato sa linyang sinukat	point stalagmites
blocks, breakdown	pillar pillar sa puntong sinukat
debris	point pillars
water	curtain
border
